

SUMMER FOOD SERVICE PROGRAM

Food That's In When School Is Out!

The Summer Food Service Program (SFSP) offers free meals to children during the summer. SFSP generates money within communities! Each sponsor receives a set rate of reimbursement from the USDA for the meals that are served. The reimbursement can also cover operational and administrative expenses, such as staff and rental costs.

The program is a great resource of nutritious food for all children. However, there are many eligible children who are not benefiting from the program. In New York State, there is an immense need for this program and with your support, we can reach more children! You can help!

BECOME A SITE SPONSOR!

Schools, youth and recreation centers, community organizations, EFPs, non-profits, and camps can become a site sponsor. Your agency may be eligible to become a sponsor. Please fill out the response form below to receive more information about the program. Or contact Hunger Action at (212) 741-8192 or (518) 434-7371.
