

Summer Food Service Program (SFSP) Locations

Hunger Action Network
OF NEW YORK STATE

Only 38.5% of schools in Buffalo with free or reduced school meal programs hosted a Summer Food Service Program (SFSP) in 2005. Out of the 40 schools that were not locations, all of them have at least half of their student body receiving free or reduced lunch during the academic year, and one school even has ALL of their students receiving free or reduced lunch during the year.
